## MFA IN DANCE—APPLICATION PROCEDURE

### ALL MATERIALS MUST BE RECEIVED BY JANUARY 12<sup>th</sup>

1. Applicants for admission to the MFA in Dance must meet the general requirements for admission to graduate study and hold a B.A. or B.F.A. in Dance or the equivalent. A minimum undergraduate grade point average of at least B (3.0 on a 4.0 scale) is required. Admission to the MFA is for Fall quarter only.
2. Apply online at <http://www.grad.uci.edu/admissions/applying-to-uci/index.html> by January 12th. Submit transcripts from universities and community colleges and letters of reference as directed at the website. All documents must be received by January 12th.
3. **Submit the Audition Reservation Form at <http://dance.arts.uci.edu/graduate-audition-reservation-form> by January 12<sup>th</sup>.** An audition in ballet and modern dance technique is required and is held in Winter quarter. Following the technique audition, applicants must present a three-minute (maximum) work of their own choreography, which may be a solo performed by the applicant, or one excerpt of the applicant's choreography on DVD. Due to time constraints, if your choice is to bring a DVD of your choreography to the audition, your DVD must contain only the 3 minutes (maximum) of your choreography. Your choreography must begin when the DVD plays, with no introductions or DVD menus and with no need for rewinding or fast-forwarding. We do not view choreography online at the audition. Interviews with faculty are conducted following the audition, and applicants are given a short writing exercise.
4. The department greatly prefers that applicants audition in person. However, if this is impossible, the applicant may submit an audition by video. Follow the "Guidelines for Submitting an Audition by DVD" (page 3). The DVD must be received by the Dance Department by January 12<sup>th</sup>.
5. Submit the Teaching Assistant Application Form (page 4) to the Dance Department by the January 12<sup>th</sup> deadline.
6. International Applicants Only. Applicants whose primary language is not English are required to demonstrate proficiency in English in order for their application to be considered. The UCI English language proficiency requirements are explained in detail at this website: <http://www.grad.uci.edu/admissions/applying-to-uci/english-proficiency.html>. International applicants should read the information on this site carefully. The department requires that the applicant take the TOEFL iBT (Test of English as a Foreign Language Internet-based Test), if it is available where you live (alternate tests are listed on the Graduate Division website above). A minimum score of 80 on the TOEFL iBT is required for admission consideration. A minimum score of 26 on the Speaking portion of the TOEFL iBT is required in order to be considered for appointment as a Teaching Assistant.

International applicants should plan to take the TOEFL iBT early in the Fall, so that that their scores will be received by the Dance Department by the January 12<sup>th</sup> deadline. Applicants whose scores do not meet the UCI TOEFL Score Requirements for Admission Consideration by the January 10th deadline will not be considered for admission and will not be admitted to the audition. See <http://www.grad.uci.edu/admissions/applying-to-uci/english-proficiency.html> for TOEFL score requirements.

## AUDITION INFORMATION

**AUDITION DATE: FRIDAY, JANUARY 26, 2018 8:00 a.m. – 5:00 p.m.**

The audition will be in both ballet and modern dance. Dress in leotards and tights (or a unitard), soft ballet shoes for the ballet audition, and bare feet for modern dance. No baggy clothing, no shorts. Following the technique audition, applicants are required to present a work of their own choreography (3 minutes maximum), which may be a solo work performed by the applicant, or one work (or one excerpt) on DVD. Due to time constraints, if your choice is to bring a DVD of your choreography to the audition, your DVD must contain **only** the 3 minutes (maximum) of your choreography. Your choreography must begin when the DVD plays, with no introductions or DVD menus and with no need for rewinding or fast-forwarding. We do not view choreography online at the audition. A short writing exercise and personal interview will take place following the audition.

If your expertise is in an area other than ballet, modern dance, or jazz, you may audition briefly (2 minutes maximum) in your preferred form, in addition to taking the audition. You must inform us in advance if you wish to demonstrate your proficiency in another form.

The department prefers that you attend the on-campus audition. If that is impossible, you may audition by DVD. Follow the “Guidelines for Submitting an Audition by DVD” on the next page.

No one will be admitted to the audition unless an application has been filed online and the non-refundable application fee has been paid. If you have any questions concerning auditions, application forms, etc., please contact the Dance Office at (949) 824-7283 or [dance@uci.edu](mailto:dance@uci.edu).

**YOU MUST HAVE APPLIED ONLINE AND PAID YOUR APPLICATION FEE  
TO BE ADMITTED TO THE AUDITION.**

## Guidelines for Submitting an Audition by DVD M.F.A. in Dance, University of California, Irvine

Mail DVD so that it arrives at UCI by January 12<sup>th</sup>.

1. In lieu of the personal interview, begin the tape by speaking directly into the camera and addressing the following. Do not read your answers. This section of the videotape should not exceed 10 minutes.
  - Describe your goals for graduate school. How would your study at UCI be a logical next step for you after your undergraduate degree or professional experience? Identify the area that you would like to be your focus for your thesis project as well as a secondary interest.
  - What are your career goals?
  - Whose work do you admire and why? Describe the influences on your work. Who or what has inspired you in making the decision to pursue graduate education in dance?
  - Choose a dance work that you admire. Explain what in the work made an impact on you.
2. For the dance audition, you must be dressed in leotard and tights or a unitard. No sweat pants, shirts, shorts, or loose clothing.

Your videotape should include a ballet barre, ballet combinations, and modern dance combinations. You are not required to do every barre exercise on both sides: do some exercises on one side and some on the other side. Similarly, we do not need to see each combination on both sides. Be sure that the camera is recording your whole body. If you are a modern dancer or jazz dancer, you may substitute more combinations in that form for the combinations in ballet.
- 2a. If your primary dance form is not ballet or modern dance, you may also audition in that form, if you wish. Include a short excerpt of your dancing in that form (1-2 minutes). We prefer that you perform something specifically for this audition, rather than sending a video of a performance.
3. Last, you must include one or two examples of your own choreography, each no more than three minutes in length. The choreography may be group or solo work. Be sure that the video is of good quality and that the choreography can be seen clearly.
4. Questions? Contact John Crawford at [john.crawford@uci.edu](mailto:john.crawford@uci.edu)

The Department will not return DVDs unless an addressed, stamped mailer is provided.
